HEALTH EDUCATION SEMINARS

Whiplash Injury Masterclass
Level 2

Alan Taylor MSc MCSP MLACP & Roger Kerry MSc MMACP MCSP

Presenters
Alan Taylor graduated from the Nottingham School of Physiotherapy. A keen sportsman, he successfully combined his early career as a physiotherapist with that of a professional cyclist - completing the Professional Tour of Britain in 1988. Alan gained his Master of Science degree in Sports Injury and Therapy at the Manchester Metropolitan University in 1998. His subject matter led to a special interest in vascular issues relating to manual therapy. He has worked extensively as a manual therapist in South Africa, New Zealand, and the UK. He currently works as a Lead Physiotherapist at the Nuffield Health &Wellbeing Centre Nottingham and is an associate lecturer at Manchester Metropolitan University. He lectures world wide on manual therapy, clinical reasoning, sports medicine and altered haemodynamics. He has also authored a number of papers in peer reviewed journals and a chapter in Grieves Modern Manual Therapy.

Roger Kerry graduated from Pinderfields School of Physiotherapy and subsequently gained a Masters of Science degree in Manipulative Therapy (Coventry). He is a member of the MACP and a diplomate of the Cyriax Organisation. Before his current post as Associate Professor in Physiotherapy Education at Nottingham University, Roger worked as an extended scope practitioner in Orthopaedics. His clinical and research interest involve haemodynamics and vascular injury, manual therapy, clinical reasoning, and philosophy of health science. Roger lecturers internationally and is a regular presenter at seminars and conferences on these subjects. He has numerous publications concerning various areas of physiotherapy practice.

Course Description
This course examines current manual therapy practice with regard to assessment and management planning for typical WAD cases in light of the emerging evidence. This course builds on the theory presented in our Whiplash Injury Master Class (level 1). It provides delegates with the opportunity to apply this theory into practice, and advances clinical reasoning in the context of evidence discussed on the first day. In contrast to the level 1 course, this course is largely practical and focused around case studies. Course participants will end the day with a series of practical tools for the assessment, planning and management of their clients. The course will address both clinical and business issues with regard to liaison with and reporting to medico-legal management companies.

Course Outline
- Movement Analysis
- Cervico-cranial Flexion Testing
- Brachial Plexus Mobility Testing
- Balance Testing
- Oculo–Motor Assessment
- Dizziness assessment/management
- Differential Diagnosis/Management
- Sensorimotor Testing/ Theory and Practice
- Case Management Planning
- Advanced Rehabilitation Concepts

Learning Outcomes
By the end of this one day course the participant should;
- Develop enhanced practical skills relating to the emerging concepts relating to the assessment of WAD
- Develop enhanced practical skills relating to emerging concepts relating to the treatment of WA
- Demonstrate advanced practical assessment skills commensurate with the emerging evidence base
- Demonstrate advanced practical management skills commensurate with the emerging evidence base.

It is strongly recommended that delegates attend the ‘Whiplash Injury Masterclass – level 1’ day prior to attending this course.

Fee: £117.50 by cheque, payable to ‘Health Education Seminars’ (includes refreshments, course manual and CPD certificate of attendance - 7.5hrs). VAT INCREASE from January 1st 2010

Terms & Conditions

1. Completion and the signing of this form creates a binding agreement to follow the course and pay the full fee.
2. Upon receipt of your application form and course fee you will be sent a letter confirming your place on the course and receipt of the course fee. If you are being funded to attend a course (see section below) the full course fee must be made at least 4 weeks prior to the course date.
3. A full refund, less a £50 administration fee, will be made if written cancellation is received in the HES Office four weeks prior to the course date. No refunds will be made after this time, for whatever reason. Substitute delegates are accepted at any time.
4. HES reserves the right to cancel the course if there are insufficient enrolments. If, in the unlikely event a tutor cannot attend the course, HES will endeavour to find a new date for the course to be held. HES will not be held responsible for any damages incurred as a result of course cancellation.
5. This form is correct at the time of printing, but is subject to alteration.

Please complete the following:
I agree to the conditions of enrolment and enclose a cheque for £ ______________ as full fee made payable to Health Education Seminars Ltd for the course marked above.
