## About Morden College

Morden College is a charity dedicated to supporting older people, providing them with residential care and residential nursing care if the need arises. We are a strong community, committed to enabling those we support to have the highest quality of life, for the rest of their lives. In April 2018, our care services were graded Good in all 5 CQC inspection area ratings and we have been granted Hospitality Assured status.

We will provide you with a generous pension, 70 hours' holiday plus pro-rata bank holidays, subsidised meals, free uniform, free onsite parking, and generous learning and development opportunities.

## About the Role

We are recruiting for a qualified and experienced Physiotherapist to work as part of a small, multidisciplinary team to ensure the highest standards of care using a holistic approach. This role is varied, stimulating, and interesting, dealing with acute rehabilitation, intermediate and continuing care. The caseload will include residents with musculo-skeletal, orthopaedic, medical, surgical and neurological conditions.

## About You

Are you a dynamic, flexible, innovative and motivated Physiotherapist with experience across a range of clinical areas e.g. general medical, neurology, respiratory, musculo-skeletal, care for older people and community? Clinical expertise, specifically musculo-skeletal, and good communication skills are required, as well as excellent time management and prioritisation skills to provide care to our beneficiaries, be they living independently or in our residential care home.
