<b>Job Title</b>	<b>Physiotherapist</b>

<b>Salary range</b>	<b>£24,500</b>
<b>Contract</b>	Full-time 52 week until 28 <sup>th</sup> August 2020
<b>Main location</b>	Portland College
<b>Hours and basis</b>	37.5 per week
<b>Reports to</b>	Senior Physiotherapist & Physiotherapy Manager
<b>Date of issue</b>	August 2019

#### Why Portland College needs this role

Portland College is a vibrant national college for people with a wide range of disabilities and associated learning difficulties. We strive to develop every learner's unimagined potential with a personalised programme. The Physiotherapy team deliver a high quality service to learners and citizens with a wide range of disabilities including, Acquired Brain Injury, Autism, Cerebral Palsy and Learning Disabilities.

#### What you will be doing

Reporting to the Physiotherapy Manager you will work as part of a team of Physiotherapists and Physiotherapy Assistants as part of a wider Multi-Disciplinary Team consisting of Speech and Language Therapists, Occupational Therapists and educational professionals.

You will as part of the Physiotherapy team:

- Hold clinical responsibility for a caseload of academic students and private clients.
- Undertake assessment of individuals with complex pathologies and communication difficulties.
- Treat students individually or in a group, in accordance with treatment protocols
- Encourage students to partake in an active approach to regaining and maintaining independence. This requires empathy, sensitivity and exceptional interpersonal skills.
- Use effective and appropriate communication skills, to assist with treatment programmes. Especially for students who may have difficulty understanding exercises etc.
- Undertake treatments utilising a variety of modalities including gym work, exercise prescription, use of trampoline, aquatic physiotherapy and classroom based interventions.
- Work without direct supervision.
- Set SMART goals for treatment periods, review progress and modify goals and treatments as required.
- Be constantly striving for the best level of physiotherapy support for the people we work with.
- Instruct students, carers, tutors and learning support assistants on mobility and physical therapy activities and demonstrate the safe use of equipment.
- Work within own scope of practice.
- Make accurate records of work undertaken and keep accurate activity records, in line with CSP and departmental guidelines.

	<b>Role Profile</b>
<b>Job Title</b>	<b>Physiotherapist</b>

- To liaise with internal and external professionals and services when necessary regarding student care, highlighting any variations to expected outcomes.
- Complete written reports and correspondence as required to a high standard.
- To attend any 'in-service' training provided and actively participate in the delivery.
- Hold supervision responsibility for Physiotherapy assistants.
- Training newly appointed staff in elements of student care, safety and induction into the department.
- Contribute to student care and promote cross College working, by attending relevant team and departmental meetings.
- Gather initial information regarding the students from medical notes, databases, handovers, MDT meetings, as required.
- Assist other physiotherapists in the delivery of their caseload.
- Carry out safe moving and handling practice, for moderately to severely dependent clients within the College, on a daily basis. In accordance with planned programmes of care and moving and handling guidelines

#### Key results we want to see from this role

- Positive outcomes for people we work with.
- Working to a high standard independently within the team.
- Development of knowledge of the specific neurological, physical and psychological needs of the group of people we work with.
- Motivation and passion to improve quality of life and promote independence.
- Work flexibly and collaboratively across a multi-disciplinary teams to meet student and citizen's needs.
- Maintenance of a high quality hydrotherapy service including contributing to developing the pool and changing facilities in response to demand.

#### Dimensions of the role

- Work as part of the Physiotherapy team supporting learners and citizens to develop independence in College and everyday life.

#### Key work relationships

- Team members
- Learners / Citizens and their families/carers
- Speech and Language Therapy Team
- Occupational Therapy Team
- External maintenance providers
- Tutors and LSA's

#### Other information

Portland College is committed to safeguarding and promoting the welfare of its learners, customers, volunteers and staff. We expect all our staff to be aware of their responsibilities to protect learners, citizens, customers, volunteers and staff from abuse or harm and to promote Fundamental British Values.
