

Job Title: Clinical Lead Physiotherapist

Working hours : 37.5 hours

Reporting to: Physio Director/Practice Manager

Salary: Competitive

Start Date: Sept 2020 (Earlier start date possible)

Location: Wimbledon 3-4 days and Marylebone 1 day with scope for more

Posting Date: July 3rd 2020

The Role

Exciting opportunity for a driven Physiotherapist to join our small and friendly clinic based in Wimbledon and Marylebone. The role will initially be maternity leave cover for the Physiotherapy Director with the hope the candidate will stay on to oversee the clinic expansion and development going forward.

This role is perfect for someone who is looking to take on more responsibility with running a clinic. The candidate must be exceptionally strong clinically and would have experience of working with MSK, orthopaedics and sports injuries. The candidate must also have very strong organisational and management skills and must be confident in building and maintaining relationships with our close knit referral base.

Responsibilities/duties

- Ability to perform an evidence based and comprehensive assessment, treatment and provision of rehab plans for a range of MSK conditions, orthopaedic rehabilitation and sport injuries.
- Excellent skills in manual therapy + exercise therapy provision.
- Excellent managerial and organisational skills with a desire to assist the Practice Manager in the day to day running of the clinic.
- Be able to develop excellent working relationships with each patient taking a keen interest in every person they treat.
- Develop and maintain links with Consultants, Doctors, Sports Clubs and other potential referral sources to drive direct clinic referrals
- Have excellent communication skills including reporting back to consultants on patient care.
- Drive referrals into own diary and be able to retain patients.
- Independently prioritise and plan own case load.
- Maintain an up to date CPD portfolio.
- Motivated, friendly and people driven

To be considered for a position you will need the following:

Essential:

- Physiotherapy degree
- Minimum 5 years post qualification experience
- CSP membership + HCPC registered
- DBS certificate
- Private practice experience
- MSK + orthopaedic experience
- Flexible working

Desirable:

- MSc post registration study in MSK Physiotherapy
- Existing links with London based orthopaedic Consultants and Doctors
- Previous NHS experience in treating a wide range of patient presentations

About us

- We are a small but growing practice with a strong emphasis on highly personalised, evidence based and quality care of each and every patient we treat.
- We are based in a state-of-the-art gym in the centre of Wimbledon allowing excellent rehabilitation of every patient. The Marylebone clinic is based in a boutique, well equipped gym just off Harley Street.
- Online practice management systems assist the running of the practice + provision of exercise plans.
- We work alongside a number of top orthopaedic consultants providing care for their patients and an ability to maintain these relationships will be an essential part of the role.
- We are looking to expand into new premises in the next 12-18 months and the ideal candidate would have a desire to join us on this exciting journey.
