Hempstead Therapy Centre is a modern, well equipped, successful & rapidly expanding independent therapy practice. Situated close to the entrance of a busy shopping centre with easy access and ample free parking our Centre offers a wide spectrum of therapy services.

The Position:

The successful candidate will be a motivated and engaging colleague keen to work within an MDT including Physiotherapists, Osteopaths, Podiatrists, Chiropodists, Sports Therapists, Massage Therapists and a Mindfulness & Well-being Therapist. The team is led by a Consultant level Physiotherapist (MMACP) & is supported by an excellent fulltime administration / reception team. The practice retains diagnostic imaging referring rights (MRi, CT, X-ray & Ultra-sound).

Position Benefits:

- Alternating shift patterns.
- Regular in house CPD sessions.
- Structured Mandatory CPD Training Program.
- Employee private medical insurance.
- Negotiated external CPD support.

Essential Requirements:

- BSc Physiotherapy.
- U.K HCPC registration & CSP membership.
- Practice experience within the U.K.

Desirable (non-essential) Attributes:

- MSc Physiotherapy – Any clinical emphasis beneficial to offered role / job description.
- Acupuncture qualification(s).
- NHS employment experience.

Responsibilities:

- Pro-active & effective, independent management of MSK / Orthopedic & Sports clinical caseload.
- Clinical & Legislative compliance auditing support.
- All standards of practice as detailed within CSP / HCPC standards of practice & codes of conduct.
