

## Working for St Ann's

We're proud to care  
We're proud to work together  
We're proud to make a difference

At St Ann's, there's one thing that motivates us, and that's providing excellent care and support to those living with or affected by life-limiting illnesses.

We're continuously developing our plans for delivering world-class, innovative care and to ensure St Ann's is in the best shape possible for future generations.

You'll be challenged, inspired and empowered to help us achieve our purpose and to play your part in making a difference.

**All of our team members will role model our core values...**

### *People matter*

People are at the centre of everything we do. We treat each other, and ourselves, with kindness and compassion. We value and celebrate diversity; recognising everyone as an individual.

### *Brave and bold*

We want to grow for the future, not settle. We're not afraid to do things differently, get creative, challenge ourselves and the status quo. We're ambitious in our aims, accountable for our actions and learn from our experiences and successes.

### *Lead and learn*

We're experts in what we do, and we don't stop there. We're always learning; informing and shaping the sectors we're in through education, training and research. We lead by example; sharing best practice, advancing in our fields and pioneering new approaches.

### *Together we are stronger*

Together, we're stronger and have a bigger impact than we could have alone. As a charity, we work in collaboration with supporters, partners and the communities around us. We think beyond traditional boundaries to make sure we're here for our communities for years to come.

# Job Role Profile

**Title** Specialist Physiotherapist

**Salary** Hospice Band 6 £34,627-£38,894 pro rata

Competency Based Framework

**Location** Little Hulton (Part of a Cross site team so travel to Heald Green will also be needed)

**Responsible to** Rehabilitation Team Leader

**Core Purpose** To provide specialist physiotherapy interventions to patients accessing hospice in and outpatient services and to contribute towards the development of the service.

## Job summary

The physiotherapist will be a key member of the multidisciplinary team; they will be a role model for clinical staff, demonstrating a professional and proactive approach to providing rehabilitative advice and support to patients with life limiting illnesses.

The physiotherapist will work with rehabilitation team colleagues to deliver a physiotherapy service at the Little Hulton Site. They will need to be able to prioritise and work efficiently to ensure the complex needs of in patients and outpatients are met in a timely manner.

The physiotherapist will actively participate in developing cross site physiotherapy services at the hospice.

The physiotherapist will be aware of and deliver services in line with best practice guidelines and the requirements of the care quality commission in order to ensure the aims and objectives of the organisation are met.
