

How has this call helped you managing COVID19 in the SW?

Would you like to take part in another call like this again?

**We are considering using 'break out' rooms on the next call for different
themes & member groups – pls vote for your preferences**

If you have any other ideas for future calls – how it can be improved or different content – pls share them here

Was great thankyou!! Really enjoyed and found very useful!

Great to hear others experience and knowledge

Often helpful to get operational manager or other experts in the region to support

Try to ensure the questions stay to one track at a time- difficult I know

More on rehab provisions going forward

Hearing from other areas really helpful

Knowing where people work. Community updates.

A lovely sense of community and togetherness this evening

Clinical success stories
Management of challenging patient

Request topics to cover beforehand so right people can be involved to answer questions

Useful to have patient case studies. Expert physio education. Best practice.

More sharing of experiences and lessons learnt so far

It was very informative. Thank you.

Share pre submitted questions before or at start of meeting and opportunity to add more

Good information & good to hear what other Physios are experiencing

Very informative, thank you!

Good to hear about community issues as well as acute

Different calls for different areas would be helpful

If you have any other ideas for future calls – how it can be improved or different content – pls share them here

advice on how to save chat room resources – no dots on my phone???

Seeing list of pre questions... Really useful hearing others views & good to hear we are not alone with issues experiencing
Seeing list of pre questions... Really useful hearing others views & good to hear we are not alone with issues experiencing

Ask what topics want covering and bring people in to answer. Also Karen Middleton to be on a call

Slow to get on menti – really good initiative – thank you
